Application ID Number

Your Application ID is a unique number associated with this application. If you start another application, you that application will have its own unique Application ID. **Please record this number and include it in any communication with the Graduate School.**

Application ID:

180499212

Submitting Your Application

Once your application has passed all the **Required** items on the "Review" page, you can submit it by clicking the **"Submit"** button at the bottom of "Review." You will then need to pay the application fee by credit card (MasterCard, Visa, American Express, Discover) or checking account. The payment must be in USD currency. Do not submit your application until you are ready to pay the fee.

The Status Page and Application Checklist

After you have submitted your application and paid the fee, the Status Page and Application Checklist let you see the status of various parts of your application, such as test scores, recommendations, and transcripts.

Test Scores--**Please read this section carefully and print and save it.**

You must have your official test scores sent to Graduate Enrollment Services (GES), if required by your program. Immediately after you submit your application, your Application Checklist may show that we **do not** have your test scores. **This is normal.**

If you had the testing agency send scores to GES at least seven (7) days before you submitted your application, then it will take about three (3) working days from the date you successfully completed the submission of your application for your test scores to display in your Application Checklist.

If you have not yet arranged to have official test scores sent to the Graduate School, you should do so immediately so that we can match them to your application. GES will have your scores within seven (7) working days from the date you make your request. Once scores are sent to GES from the testing agency, your Application Checklist will be updated within two (2) working days to show that we have received them.

For IELTS, please add one week to the times listed above.

Please look at the example Status Page and Application Checklist below.

Note: If you are required to take the GRE, that requirement will display in your Application Checklist immediately. If you are required to take the TOEFL/IELTS, there is a delay of up to 24 hours before the requirement displays.

If you submitted your test scores to the **correct** Institution Code **at least 7 days ago**, **submitted** your application and **have a University ID Number (UID)**, and still do not see your scores appearing on your Status Page, you can use <https://apply.gsas.nyu.edu/register/testcheck> to check on your test scores.

Recommendations

Your Application Checklist shows which recommendations have been received, and which are still outstanding. If a recommender submits a letter before you submit the application, it will already show as "Received" when you first see the Application Checklist.

If all of your recommenders have submitted their letters, you may still see the word "Recommendations" with an "X" next to the word in your Application Checklist. Please do not be concerned--the word "Recommendations" will disappear within 24 hours.

Transcripts

If you upload copies of your transcripts to the schools you listed in your Educational History section, it may take up to 24 hours for the checklist to be updated to indicate that they have been received.

Here is an example Status Page and Application Checklist. (Illustrative comments are in **red**.) Note that the **GRE General** and **GRE Subject Test** are listed separately.

Application Checklist

Status	Details	Date
✓	Received Recommendation A	Received 11/10/2022
✓	Received Recommendation B	Received 11/10/2022
✓	Received Recommendation C	Received 11/10/2022
✓	Received English Proficiency Requirement (TOEFL/IELTS)	Received 11/15/2022
✗	Awaiting GRE	Not Received
✗	Awaiting GRE Subject Test - Required	Not Received
✓	Received Transcript ([REDACTED])	Received 11/10/2022
✓	Received Resume / CV	Received 11/10/2022
✓	Received Statement of Academic Purpose	Received 11/10/2022

Letters of Recommendation

To re-send notification emails to your recommenders, re-visit the **recommendation page**, click "Edit", and then click "Send Reminder". You may also use this [link](#) to register new recommenders.
